Ref: Application Number: 10/666014

Applicant: Benjamin Beveridge.

Further to your letter of 24<sup>th</sup>. February, 2005, together with the enclosed "Notice of Draftsperson's Patent Drawing Review" and the comments mentioned, I do hope that the enclosed revised Drawings Numbers 1 to 8, will prove acceptable. I'm afraid that my facilities are rather primitive, so please let me know if there is still a problem.

With best regards.

Ben Beveridge.
